A photograph showing a long, low-profile building with brown vertical siding partially submerged in dark, turbulent floodwaters. The water level is high, reaching up to the windows. A yellow horizontal line is drawn across the water surface, indicating a specific flood depth. A yellow box with a black border contains the text "12.6' (FEMA 1% / 100-Yr)". In the background, there are green trees and a cloudy sky. A sign on the building reads "Valley Market".
