

# WV RISE, VOAD, and ASP New Builds & Replacements Structures: Southern West Virginia

Disclaimer: The WV RISE program completed 387 homes in December 2022, the VOAD rehabilitated and reconstructed an estimated 2,300 homes of which 5% or 123 homes were new constructions, and the Appalachia Service Project (ASP) repaired 31 homes and built 74 new homes in Greenbrier County and surrounding communities.

Disclaimer: The WV RISE program and the VOAD rehabilitated and reconstructed have duplicate points on the same structures primarily in Rainelle, WV but also throughout the state.
