

# Monroe County, WV – Countywide

FEMA’s Risk Mapping, Assessment, and Planning (Risk MAP) Program helps strengthen communities by identifying actions they can take now to reduce their hazard risk, enhance local planning, improve outreach through risk communications, and increase local resilience to natural hazards. Below is an overview of some key items identified during the Changes Since Last FIRM<sup>1</sup> impact assessment.

The information presented below are estimates as of MAY 2022

## KEEPING COMMUNITIES INFORMED: Your Risk MAP Timeline

## TAKE ACTION: Next Steps

Your Hazard Mitigation Plan is in the process of being updated. Some projects you identified to reduce flood risk were:

- Work with floodplain property owners to acquire properties in high-risk flood area
- Promote awareness of FEMA regulations and consequences of living in a floodplain through public outreach

Find ideas to mitigate flood risk here:
