

**SUBJECT: GEO Precinct 49 Mismatch Errors – Spatial Data Assessment**

4/8/2022

- SVRS Precinct 48 *mismatches* with GEO Precinct 49
- SVRS State House District 34 *mismatches* with GEO State House District 29

**Significance:** Many Voter Points north of U.S. 119 along Trace Fork and near the community of Myrtle in Mingo County appear to be assigned to the wrong precinct and state house district. Consequently, these SVRS-GEO precinct mismatches could result in the voters in this location receiving the wrong ballot for the House of Delegates.

**Validation:** Review the SVRS-GEOgraphic Precinct Mismatches using the attached Precinct Mismatch Excel Table (SVRS Data Extract 4/1/2022) and the G-SVRS Tool to validate Voter Points are in the correct precinct. Red dots on the G-SVRS Tool represent precinct mismatches between the SVRS and GIS files. [Click here](#) to view mismatched SVRS points for this area of interest.

According to E-911 Address and Tax Parcel *geographic* reference data, the SVRS Voter Points in this location are in the wrong Precinct 48 and thus the wrong State House District 34. The correct Precinct is 49 and correct State House District 29.
