3. County Commission Certification

The County Commission of Randolph County certifies that the municipal boundaries represented in this submission reflect the best available county records of municipal corporate limits, annexations, and boundary adjustments derived from county tax mapping records, GIS records, annexation filings, and other available documentation maintained by the county. In cases where original annexation or boundary documentation cannot be located, the County Commission certifies that the boundaries represented reflect the most accurate boundary location available based on county records and GIS data.

4. County Technical Points of Contact
