RE: Request for information regarding current/future plans for properties being considered for acquisition through the Hazard Mitigation Grant Program (HMGP).

Dear Mr. Mattox,

This letter is an addendum to my previous request dated December 10, 2015. The Wayne County Commission wishes to submit an application for the acquisition / demolition of 3 structures located at:

MAP/PARCEL 2B /142  
Curtis R. and Sandra G. Hathaway  
1438 Grant Drive  
38°23'23.72"N 82°30'45.65"W

MAP/PARCEL 2B/125  
Frank A. and Sondra Castle & Jerry and Melinda Adkins  
1440 Lookout Drive  
38°23'24.46"N 82°30'45.35"W

MAP/PARCEL 10A /74  
Donald Anthony Gygi  
2400 Spring Valley Drive

The project proposes to acquire and demolish all structures on these properties and maintain the vacant lot in a manner consistent with FEMA open-space policies. Please advise if these properties are included in any current or future project plans that would affect acquisition and/or maintenance of these properties in the proposed manner.

Your cooperation in this matter is greatly appreciated.

Sincerely,

Randy B. Fry  
Grant Coordinator
